Katharina Pfitzner
Office Manager (Baghdad)
Baghdad + 964 (0)7901 922489
Email: kpfitzner@olivegroup.com

**Description of Services:**

Olive Group is a recognized global leader in the provision of security services and technology, providing large scale solutions to corporations and Governments. Olive has been supporting security operations in Iraq since February 2003 when it provided support to the news media embedded with the coalition forces. After the immediate cessation of hostilities Olive was the first security firm to be awarded a contract as support to the prime contractor for USAID and was therefore the first to receive the appropriate permission to carry weapons by the US/ UK Government and CPA. Olive continues to support multiple projects for blue chip corporations and Governments including the vital security and training support to the Iraqi Government.

The Group offers a broad spectrum of services, including close protection, key point security, cargo transportation security, maritime security, training (both civilian and military), vehicle and asset tracking, advanced technologies and equipment, risk analysis reports, technical security auditing and project management. Olive is a specialist in the provision of security for Oil and Gas infrastructure.

Olive Group is licensed and registered by the Iraqi Ministry of Interior and holds ISO 9001:2000 accreditation. The Group's infrastructure in Iraq is extensive, with operational bases throughout the country and over 500 personnel and 160 armored vehicles. Olive's Middle Eastern network includes local offices in Dubai (Group Head Office), Kuwait, Jordan, Saudi Arabia, Qatar and Kabul.

**Description of Service:**

URG is a security provider with extensive experience in successfully meeting clients' diverse security and operational needs in all 18 Governorates of Iraq. URG is staffed and managed by experienced security professionals drawn from the Special Forces and Police SWAT communities of the United States, United Kingdom, Australia, New Zealand and Europe. Underpinning the proven excellence of URG's people in Iraq is practiced teamwork, on going in-theatre training, embedded leadership and first-rate equipment. URG has demonstrated Iraq-tested and proven capabilities in:

- Individual and Programme Level Close Personal Protection
- Remote and Urban Asset Protection
- Site Surveys, Risk Management and Contingency Planning
- Training, Coaching and Supervising Local Nationals
- Planning and Conducting Emergency Evacuations

Commercial, Government and Non Government Organizations seeking further information on security services and costs should contact the URG representatives in Baghdad or Dubai for assistance.
